

Levon Babagulyan

Frontend developer / Markup specialist

Work Experience

Frontend Developer 01/2024 – 01/2025

Developed responsive and user-friendly web interfaces using Vue, React, and jQuery, ensuring high performance and cross-browser compatibility. Collaborated with designers and backend teams to implement modern UI solutions and enhance overall user experience.

Rootteam Yerevan, Armenia

Markup specialist 04/2025–07/2026

Created pixel-perfect, responsive layouts from scratch based on design files, ensuring clean and maintainable HTML/CSS structure. Built and optimized white pages for affiliate campaigns, focusing on performance, adaptability, and cross-browser compatibility.
